

# **BANQUET AND CATERING POLICIES**

## **Food and Beverage Service**

The Radisson Stapleton Plaza Hotel is responsible for the quality and freshness of the food served to our guests. Due to current health regulations, all food served at the hotel must be prepared by our culinary staff. Food may not be taken off the premises after it has been prepared and served. The sale and service of alcoholic beverages are regulated by the state. As a licensee, this hotel is responsible for the administration of the regulations. It is a policy, therefore, that alcoholic beverages cannot be brought into the hotel from the outside.

## **Administrative Fees**

All catering and banquet charges are subject to the customary administrative fees and state sales tax.

## **Function Room Assignments**

Room assignments are made according to the guaranteed minimum number of people anticipated. Because these attendance figures may vary from expected attendance, we reserve the right to change room reservations to best accommodate either increasing or decreasing attendance figures.

## **Entrée Selection**

In the event that your group requires a split menu, entrée selections are limited to a maximum of two selections. There may be an additional charge for this service. The hotel requires that the client produce place cards or tickets identifying the particular entrée selected by each guest. If the hotel needs to produce more than the initial amount guaranteed for a specific entrée, the client is responsible for paying for those additional meals.

## **Guarantees**

A guaranteed attendance figure is required for all meal functions three business days prior to the function date and is not subject to reduction. If the catering office is not advised by this time, the estimated figure will automatically become the guarantee. We will be prepared to serve 5% over the guaranteed number for groups below 400 people and 3% for groups of 400 and above.

## **Menu Pricing**

The quotation herein is subject to a proportionate price increase to meet increased cost of food, beverages, labor, etc. Quotation cannot be guaranteed until 60 days prior to the time that the particular function takes place.

## **Audio-Visual Equipment**

We will be pleased to arrange for any audio-visual requirements for your event.

## **Billing**

An acceptable form of payment must be agreed upon during the initial booking arrangements. Acceptable forms include advance deposit (prepayment), direct billing (subject to approval) or completed credit card authorization form.

## **Security**

The hotel does not assume responsibility for damage or loss of any merchandise or articles left on premise prior to, during or following any event. Arrangements for security to monitor equipment or merchandise may be made through your catering contact prior to the event.

## **Decorations**

Your catering contact will be happy to assist you with arranging freshly cut flowers, centerpieces, ice carvings, themed décor, etc. The hotel will not permit the affixing of anything to walls, floors, ceilings or equipment with nails, staples, tape or any other substance or device.

## **Package Handling**

Packages for meetings may be delivered to the hotel no more than three days prior to the event. To ensure proper receiving, please address all items as follows: Client Name/Conference Date/Sales or Catering Manager handling the group. The hotel will exercise all customary and reasonable care of receivable goods, but will not assume any liability for loss or damage to such items.

**The first five boxes are complimentary. Additional boxes will be \$5/each.**
